

# As Good As Gold: A Training Toolkit For Committees Of ESOL Home Tutor Schemes

Question 3: Of the 20% whose performance did not merit a "1" or "2" marking, how many were awarded Training for Success contracts?

Answer: Of the organisations inspected during the period covered by the most recent Chief Inspectors report, two of the 20% whose performance did not merit a "1" or "2" marking, were awarded Training for Success contracts.

A copy of the model Training for Success contract was also requested by the Committee, and sufficient copies for one to be given to each member are attached.

Yours sincerely
